

1K for 1Kid

On behalf of those we serve, **THANK YOU** for participating in Methodist Home for Children's 1K for 1 Kid initiative!

1K for 1 Kid instructions

- Decide on your goal — If less than 1K, simply mark on each poster the level you want your church members to reach. (For instance, each church of a 2-point charge can raise \$500, but together you are caring for one child for one year.)
- Pick your campaign ending date and mark that prominently on each poster.
- Place your posters at strategic places around the church.
- Enlist the support of your UMW, UMM, Sunday school, youth, seniors, and other groups in the church — dividing your goal into pieces makes the campaign work easier!
- Copy the bulletin insert for distribution with Sunday programs; copies for coloring can also be used at age-appropriate children's Sunday school classes.
- Share news of the 1K campaign at "mission moments" during service and at Sunday school classes and other meetings.
- Invite members to watch the enclosed DVD to help them learn more about MHC and its ministry to children, youth and families.
- As funds are collected, mark progress on the thermometer on each poster.
