

# Methodist Home for Children

*every child deserves a chance*

We work to provide safe, stable homes where children and teens can thrive and live fully into their God-given potential. While not always traditional or biological, an MHC home is where youth and family are equipped to succeed. We build on strengths, nurturing hopes and goals, and prepare all in our care to imagine and shape their own futures.

Our service to North Carolina children and families dates back to 1899 with our founding as a traditional, campus-based orphanage. Today, we provide community-based services throughout the state of North Carolina:
